

# Teaching During COVID-19

## Primary: Remote – Weekly Schedule

**Remote Learning Plans:** 9 students and 1 lead teacher, with help from educational assistants (EAs). Each student receives 5 days per week of synchronous remote group instruction (30-minute group with rotating curricular areas) and 5 days per week of synchronous remote 1:1 instruction (two 30-minute 1:1 sessions with academic, play, and language lessons, functional routine skill building, and dynamic independent work, all of which includes caregiver coaching). During 1:1 sessions, students will rotate between virtual meeting rooms with different EAs leading instruction under supervision of the lead teacher. Asynchronous instruction includes home routines, independent work, at-home activities, and extension activities provided by the teacher.

	Monday	Tuesday	Wednesday	Thursday	Friday
8:15-9:30	Prep				
9:30-10:00	Synchronous remote group instruction (ELA)	Synchronous remote group instruction (Math)	Synchronous remote group instruction (Science)	Synchronous remote group instruction (Social Skills)	Synchronous remote group instruction (Games)
10:00-10:10	Break and prep				
10:10-10:40	Synchronous remote 1:1 (academics, teaching time, and play time): Students A, B, and C				
10:40-10:50	Break and prep				
10:50-11:20	Synchronous remote 1:1 (academics, teaching time, and play time): Students D, E, and F				
11:20-11:30	Break and prep				
11:30-12:00	Synchronous remote 1:1 (academics, teaching time, and play time): Students G, H, and I				
12:00-12:45	Lunch and prep				
12:45-1:15	Synchronous remote 1:1 Instruction (functional routines and dynamic independent work): Students A, B, and C				
1:15-1:25	Break and prep				
1:25-1:55	Synchronous remote 1:1 Instruction (functional routines and dynamic independent work): Students D, E, and F				
1:55-2:05	Break and prep				
2:05-2:35	Synchronous remote 1:1 Instruction (functional routines and dynamic independent work): Students G, H, and I				
2:35-3:00	Data summary, staff meeting, and prep				

 Synchronous remote group instruction

 Synchronous remote 1:1 instruction and caregiver communication
