

# Teaching During COVID-19

## Secondary: Remote – Weekly Schedule

**Remote Learning Plans:** 7 students and 1 lead teacher, with help from educational assistants as needed. Each student receives 5 days per week of synchronous remote group instruction (30-minute group with rotating curricular areas) and 5 days per week of synchronous remote 1:1 instruction (30-minute 1:1 session with academic and language lessons, functional routines, and independent work, plus a 15-minute caregiver communication session). Asynchronous instruction includes home routines, independent work, and at-home activities provided by the teacher.
