

Instructions:

1. Use this visual support when the student needs to do a self-guided individual assignment.
2. Print and laminate the *How to Do My Work* visual.
3. Provide the student with the *How to Do My Work* visual and a blank sheet of paper (to complete step four).
4. Instruct the student to check off each step as they complete it.
5. Step four is intended to support the student in making their own “To Do” list in order to finish the self-guided individual assignment.
