

Materials:

- *Spinner Game Board* (provided)
- *Phone Number List* (provided)
- Brad fastener (for attaching the arrow to the spinner)
- Two phones (old cell phones or disconnected land line phones)
- *Spin the Wheel! Game Visual Strip* (provided)

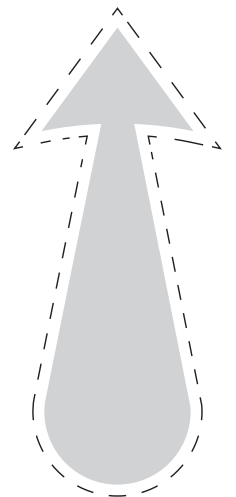

Instructions:

1. Print the *Spinner Game Board* and arrow.
2. Glue photos of classroom staff and/or students in the blank spaces provided on the spinner.
3. Laminate the game board and arrow.
4. Attach the arrow to the game board with a brad fastener.
5. Print the *Phone Number List*.
6. Glue photos of classroom staff and/or students in the blank spaces provided on the list.
7. Write the person's name next to his/her picture and write a phone number on the line (actual phone number or made up, if preferred).
8. Laminate the *Phone Number List*.
9. Two staff members model how to play the game. One player spins the wheel and identifies the person on the spinner. The player uses the *Phone Number List* to locate the person's phone number and dials the number. The player then practices appropriate telephone greetings.
 - *Variation:* Extend the activity and have students practice reciprocal phone conversations including answering and asking questions and ending a phone call.
10. Students take turns using the spinner and practicing phone calls.
