

Celebrating Together

Activity - Scavenger Hunt

Objective:

This activity reinforces pattern and color recognition as students work in teams to complete a series of matching tasks in a scavenger hunt.

Materials:

- Sequence strip (provided)
- Celebration cards (provided)
- Celebration word/picture list (provided; choose based on skill level)
- Bag or basket
- Timer
- Tape
- Blank notecards (3" x 5")

Preparation:

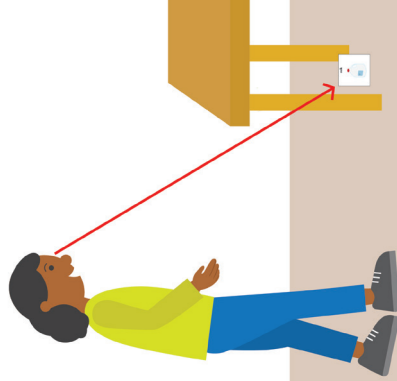

1. Print, laminate, and cut out:
 - a. Sequence strip
 - b. Celebration cards
 - c. Celebration word/picture list
2. Tape the celebration cards to blank notecards. Hide these around the room.
3. Set aside one celebration card and one word/picture list for demonstration purposes.
4. Have the sequence strip on hand, and refer to it throughout the activity to guide students.

Instructions:

1. Explain that students will be going on a classroom scavenger hunt to find hidden celebration image cards around the room.
2. Distribute the celebration lists (pictures or words, depending on skill level).
3. Explain that the point of the game is for students to:
 - a. Find a celebration card on their list
 - b. Pick it up
 - c. Take off the image
 - d. Stick the image to the matching box on their list
 - e. Stop searching when they hear the timer go off
4. Set the timer for 5–7 minutes.
5. Students search the room for matching cards and attach each found card to their word/image list. When the timer goes off, have students share their completed lists.
