First-then template

FIRST

()

A large rectangular box with a blue header containing the word "FIRST" in white capital letters. In the center of the box is a dashed circle with parentheses on the left and right sides, representing a placeholder for an activity or item.

THEN

()

A large rectangular box with a blue header containing the word "THEN" in white capital letters. In the center of the box is a dashed circle with parentheses on the left and right sides, representing a placeholder for an activity or item.
